Directions

Cut pattern out of card stock to use as a template.

Fold both fabrics RST trace around the template with disappearing fabric marker or pencil.

Be sure to mark openings!

•• this would be the time to do any hand embellishments •• keep your seam allowance in mind as well as the bulk of your additions...

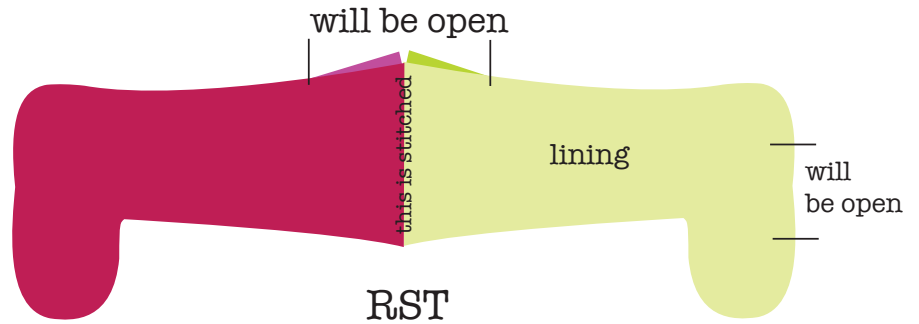

Stitch both fabrics on the drawn line **remembering to leave openings!**

Turn lining RSO and stuff to the inside of the quilted stocking lining up the top edges.

Line up center seams and pin edge together.

Stitch lining to quilted fabric using 1/4 in seam allowance.

Pull lining out of stocking...RST

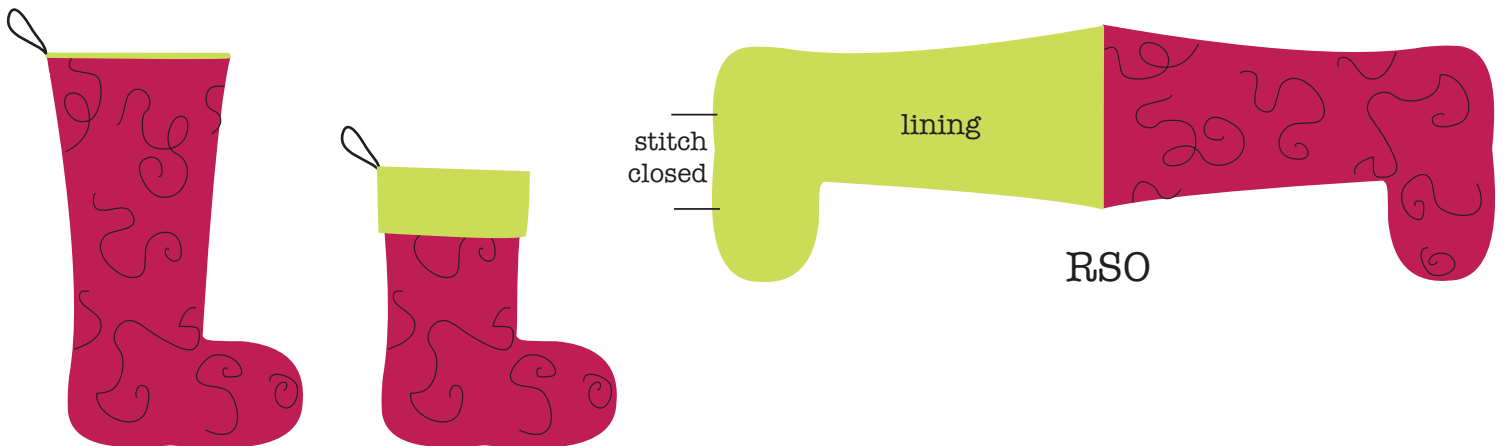

Stitch side opening to close.

Pull quilted fabric end through opening in lining foot.

Stitch the opening at the bottom of the lining closed RSO.

Stuff lining into place, making sure to line up the toes.

Top stitch around the top of stocking.

Fold cuff over (optional).

Add loop.

Embellish.

If you are making your stocking out of felt,
you won't need a lining.

Embellish your stocking with machine or hand embroidery!

Add charms, beads, sequins, cut felt shapes...

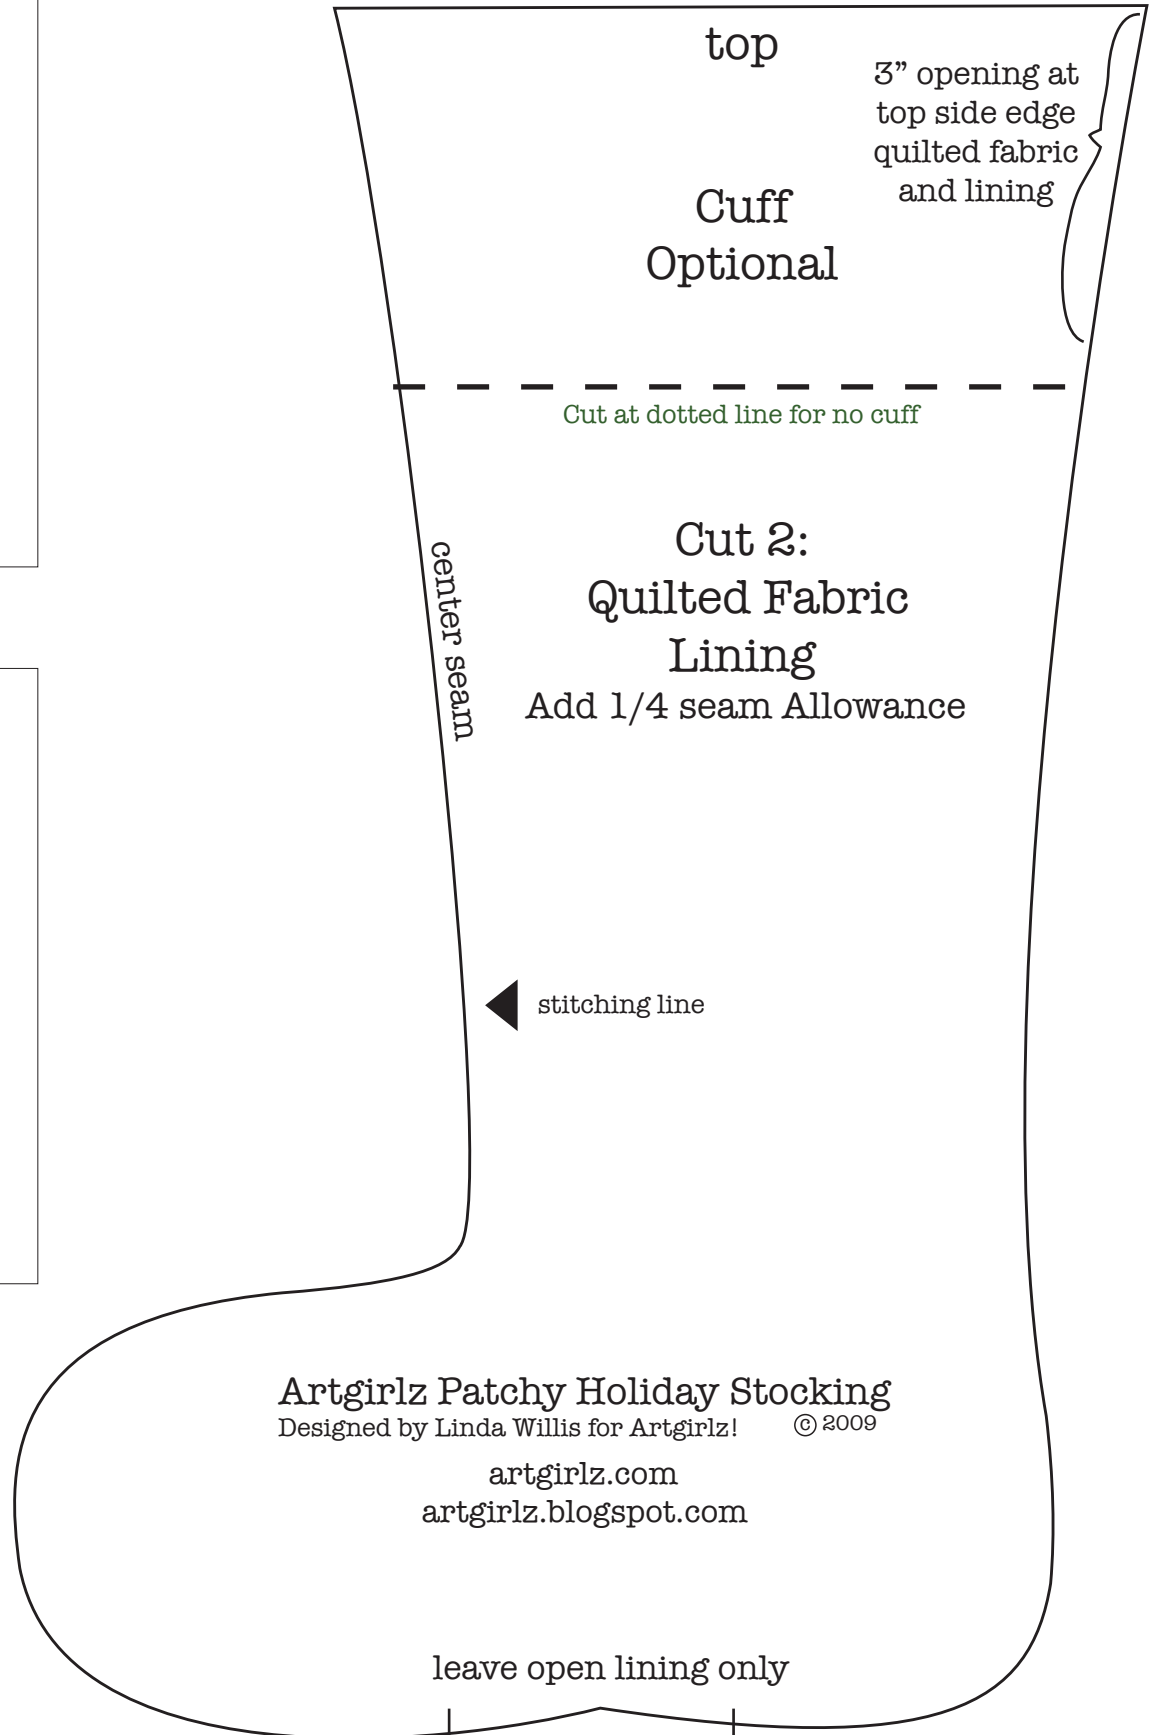

Have fun and just go for it!!
